

# **Level four**

## **Reading sheet 1**

Today at school I am playing with the blocks. My friend Tom is playing with me too.

We like to play with the blocks every day. Sometimes we make a big tower with them. We see how many we can put on top before they fall down. Then we see who can make the biggest tower.

We like to make houses and gardens too. We put trees and flowers in the gardens. Sometimes our teacher lets us take a picture of our house. We put the picture onto the computer and then print it out. Then we show our mums and dads when we go home.

I hope we can play with the blocks at school tomorrow.
