Reading sheet 1

We are two little lambs. We live on a farm and play all day. We like to run and jump in the paddock.

We can have fun when we run and jump in the long green grass. The grass is good to eat too.

“Will you come and play with us in the long grass?” said the little lambs.

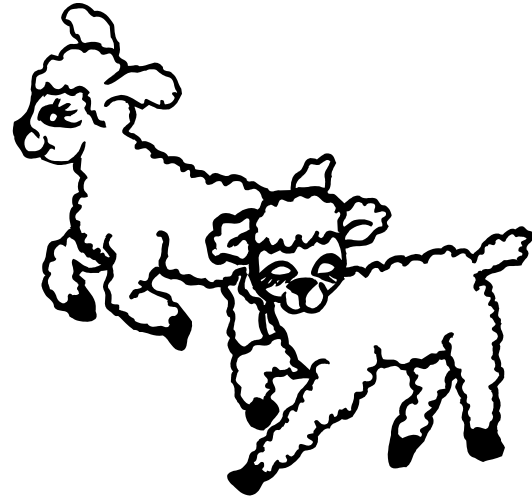

“You will have fun if you come and play with us”.

When we grow up we will be sheep.

We will give you wool to keep you warm. We are good animals to have on a farm.
