

## Green Series

### Level six Reading sheet one

I am the eldest child in our family. My name is Adil and I am **13** thirteen years old.

My sister is called Neeta.  She will soon be twelve years old.

My little brother is called Luke.  He is nearly six years old.

We live on a farm  and have lots of different animals.

We help our mum sell things at the market  and we help dad on the farm.

We used to live in a country called Indonesia,  before Luke was born.

Now we live in Australia. We have lived here for **7** seven years.

## Green Series

### Level six Comprehension sheet one

Help me put the sentences about Adil and his family in the right order.  
Write the numbers 1 to 6 in the boxes to show the order of the sentences in the text. The first one has been done for you.

**We help our mum sell things at the market.**

**We used to live in a country called Indonesia.**

**My name is Adil. I am thirteen years old.**

**Now we live in Australia. We have lived here for seven years.**

**We live on a farm and have lots of animals.**

**My sister is called Neeta.**

## Green Series

**Level six**

### **Activity sheet one**

Look at these sentences. Each one has one word that is written wrongly.  
Write the correct spelling of that word in the rectangle.

**1. My mane is Adil.**

**2. My isster is called Neeta.**

**3. My little brother is nearly six earys old.**

**4. We live on a marf.**

**5. We used to veli in Indonesia.**

**6. Now ew live in Australia.**

Write the names of the three children and draw a picture of them playing together.
